Describe how and where items were lost	I left my home around 9:00 came to the city, and bought coffee from the shop of James street Behind the Rundle Mall, and went to the sitting area near rundle mall, while I was having coffee I got a call from one of my clients and I started talking to the client and also walking after I finished my the call, I got a call from my manager he asked me to come to the office urgently. When I reached the office after 10 mins I realized I missed my office bag when I went back there was no bag left, I tried asking people but couldn't find it. I lost my bag, iPad. Umbrella, keys, Tiffin Box, and my Note Books)
